AFFIDAVIT

STATE OF TEXAS

COUNTY OF CAMERON

On this 27th day of February, 2007, appeared before me Geral W. Sosbee, an individual known personally to me to be the person who affixed his signature to this document below and who, being by me first duly sworn on his oath, deposed and said: “My name is Geral W. Sosbee; I am over the age of 18 years. I am fully competent in all manner to make this affidavit. The information contained in this affidavit is within my personal knowledge, and is true and correct. I am referred to below as Affiant.

I have documented by direct and incontrovertible evidence and personal testimony the criminal activities of dozens (or perhaps hundreds) of agents, operatives and handlers of the FBI and the CIA of the United States of America, including, but not limited to the following:

A. Obstruction of Justice, Suppression of Evidence, Perjury, Fabrication of Evidence, Criminal Conspiracy, Conspiracy to Violate and the Violation of Civil Rights, Attempted Extortion, Attempted Blackmail, False Arrest, False Imprisonment, Fraud Burglary, Robbery, Felonious Assault and Battery, Destruction of Personal Property, Petty Theft, Theft of and Tampering with U.S. Mail and a variety of other high crimes and misdemeanors as further described in paragraph “B” below.

B. Abuse of civil process, home and car invasions facilitated by physical and wireless electronic surveillance in home and car and further enhanced by the use of a tracking device implanted in the person of the human experimentee, the Affiant; the surveillance of Affiant is ineffect as this affidavit is written and has been in effect twenty four hours a day, seven days a week, three hundred and sixty-five days a

year, without cessation and without interruption for well over nine years world wide; all such invasive surveillance is accompanied by various terrorist acts against the Affiant as further described in paragraph “C” below.

C. Repeated assault and battery on the person of the Affiant by street thugs and by the use of high technology authorized by the United States Government under a program known as Non-consensual Cover Research and Human Experimentation; in this program the FBI and the CIA perform a wide variety of terrorist assaults on the Affiant; one such assault is accomplished by the injection (or placing) into the Affiant various chemicals, bacterial and viral infections; concomitant with the chemical and biological assaults the FBI and the CIA activate against the Affiant advanced Remote Electronic Human Behavior Influence Technology including psychoelectronic and directed energy assaults sometimes coordinated with fraudulently conceived and illegally carried out (with local police authorities world wide) attempted criminal sting operations designed to lead to the imprisonment or death of the Affiant; also in conjunction with such hi- tech experimentations the Affiant is subjected to FBI and CIA psychological operations (including conditioned response and operant conditioning techniques) which are all designed to cause the Affiant to have a nervous breakdown, physical collapse or to otherwise seek final exit from the torturous campaign, the effects of which are often viewed in real time by the FBI and CIA tormentors who actually watch on computer screens the Affiant react to the injurious and painful dirty tricks and provocations described herein; all such treasonous, inhumane and covert operations are carried out with the full support of all government entities at every level of society as further explained in paragraph “D” below.

D. All three branches of the United States Government (and segments of the community at large) are compliant with the mandates of FBI and CIA terrorist assaults as described above and all government officials at the local, state and federal levels pretend that no such criminal activity as described in the instant affidavit may occur; thus, to date the Congress of the United States, the entire Judiciary and each and every employee of the Executive branch of the government of the United States of America may directly or indirectly support the terrorist activities of the FBI and the CIA as set forth herein and as further amplified in paragraph “E” below.

E. I hereby incorporate by reference into this affidavit and thereby make a part herein as though fully reproduced herein for all purposes the contents of my website (and related links and statements by Affiant therein) located at www.sosbeevfbi.com; this incorporation includes all statements, documents and other corroborating evidence provided, obtained or authorized by Affiant, including all updates by Affiant at www.newciv.org and any other internet site to date.

I hereby further certify and affirm under penalty of perjury of the laws of the United States and the laws of the state of Texas that all statements, including those incorporated by reference and made a part herein for all purposes as though fully reproduced herein are true and correct and that all documents (including those incorporated by reference) are true and correct copies of originals and that they are what they purport to be to the best of my knowledge and ability.

Please advise your readers that the cost to our country of the covert, criminal and unconstitutional (not to mention immoral and despicable) operations of the fbi and the cia are paid for in terms of the sufferings and deaths of our own Americans and of our Brothers and Sisters abroad.These ' intelligence' low lifes parade about in the colors of the American flag, but undermine our stated values and precepts at every turn. They are in actuality traitors.

Further:
"The traitor appears not a traitor; he speaks in accents familiar to his victims, and he wears their face and their arguments, he appeals to the baseness that lies deep in the hearts of all men. He rots the soul of a nation...he infects the body politic so that it can no longer resist. A murderer is less to fear. "
Marcus Tullius Cicero, Roman orator, statesman 42 B.C.
